

USER STORIES

As a potential customer, I would like to see a FAQ's page to see if any questions I may have were already answered.

As a potential customer I would like to see pictures of the owners or employees to verify this site is real and the company is trustworthy.

SPRINT NOTES

02 December 2019 Sprint Notes

- I need to figure out what color palette to use.
- Determine what the page layout should be
- How many pages should I use? And which information should be displayed?

04 December 2019 Sprint Notes

- Find some effects to use on services page
- Find if there are any examples of login/register forms
